2. an act or omission not in good faith that constitutes a breach of duty of the director to the Association or its members;

Any repeal or modification of this Article by the members of the Association shall not adversely affect any right or protection of a director of the Association existing at the time of such repeal or modification. Any repeal or modification of those provisions in the Texas Business Organizations Code that concern the limitation of director liability shall not be construed to affect adversely any right or protection of a director of the Association existing at the time of such repeal or modification unless such adverse construction is required by law.
